10 **STIPULATION**

11 The parties signing below acknowledge the following:

12 1. In the initial Joint Case Management Statement in this matter (Document #46), the
13 parties indicated that they were amenable to setting the date for expert disclosures 120 days before
14 trial.

15 2. In the Supplemental Joint Case Management Statement in this matter (Document
16 #93), the parties indicated that they were amenable to setting the date for completion of expert
17 discovery on June 28, 2013. That was an inadvertent error. June 28 is approximately 120 days
18 before trial. The parties intended to set that date for expert disclosures, not for the completion of
19 expert discovery. That date is too early to allow sufficient time for the completion of expert
20 discovery in this matter.

21 3. The parties stipulate to setting the date for expert disclosures on June 28, 2013.

22 ///

23 ///

24 ///

4. The parties stipulate to setting the date for completion of expert discovery on August 23, 2013, commensurate with the completion of non-expert discovery.

IT IS SO STIPULATED.
